## The United States ITU Association

### UPCOMING MEETING & CONFERENCE MONITOR

*Events are in Geneva unless otherwise noted. List is not exhaustive.  
All events are virtual unless otherwise noted.*

#### 2021

#### JANUARY

|                       |                                                                              |
|-----------------------|------------------------------------------------------------------------------|
| January 6-7           | ITU-T Study Group 12 (Performance, QoS and QoE)                              |
| January 7             | ITU-T Study Group 17 (Security)                                              |
| January 8             | ITU-T inter-regional Meeting for Preparation of WTSA-20                      |
| January 12-14         | ITU-T Study Group 15                                                         |
| January 11-15         | ITU-T Telecommunication Standardization Advisory Group (TSAG)                |
| January 18-19         | ITU-D Regional Preparatory Meeting for WTDC-21 for Europe                    |
| January 18-22         | ITU-T Study Group 3 Regional Meetings                                        |
| January 25            | Open Consultations-Council Working Group on Internet                         |
| January 25-26         | Council Working Group on Financial and Human Resources                       |
| January 25-February 5 | Meeting of Council Working Groups and Expert Groups                          |
| January 25-February 5 | ITU-T Focus Group on Quantum Information Technology for Networks             |
| January 26            | Council Working Group on Child Online Protection                             |
| January 27-28         | Council Working Group on International Internet-related Public Policy Issues |
| January 27-29         | ITU-T Focus Group Meeting-Artificial Intelligence for Health                 |
| January 28-29         | Council Working Group on WSIS and sustainable Development Goals              |

#### FEBRUARY

|                     |                                                                                                                 |
|---------------------|-----------------------------------------------------------------------------------------------------------------|
| February 1-2        | Informal Experts Group on the 2021 World Telecommunication/ICT Policy Forum                                     |
| February 2-4        | ITU-T Focus Group on Autonomous Networks                                                                        |
| February 3-4        | Expert Group on the International Telecommunication Regulations (ITRs)                                          |
| February 5          | Council Working Group on the Use of the Six Official Languages of the Union                                     |
| February 15-23      | ITU-R Working party 4C (Efficient Orbit/Spectrum Utilization for MSS and RDSS)                                  |
| February 22-26      | ITU-R Working party 4B (Systems, Air Interfaces, performance and availability Objectives for FSS, BSS, and MSS) |
| February 22-26      | ITU-D Study Group 2 Informal ITU-D Study Group 2 Rapporteur Group meetings                                      |
| February 23-March 5 | World Telecommunication Standardization Assembly 2020 (Planned/Hyderabad)                                       |
| February 24-March 5 | ITU-R Working party 4A (Efficient Orbit/Spectrum Utilization for FSS and BSS)                                   |

## **MARCH**

|                                    |                                                                                   |
|------------------------------------|-----------------------------------------------------------------------------------|
| March 1-12                         | ITU-T Study Group 13 (Future Networks)                                            |
| March 1-12                         | ITU-R Working party 5D (IMT Systems)                                              |
| March 1-5                          | ITU-D Study Group 1 Informal ITU-D Study Group 1 Rapporteur Group meetings        |
| March 4                            | ITU-R Study Group 4 (Satellite Services)                                          |
| March 4                            | ITU-T Joint Coordination Activity on IMT-2020                                     |
| March 9-10                         | ITU-D Regional Preparatory Meeting for WTDC-21 for the Asia-Pacific               |
| March 15-19                        | ITU-R Working party 6C (Program Production and Quality assessment)                |
| March 15-26                        | ITU-D Study Groups (Geneva)                                                       |
| March 16-24                        | ITU-R Working party 6A (Terrestrial Broadcasting Delivery)                        |
| March 17-26                        | ITU-T Study Group 11 (Protocols and Test Specifications) (planned)                |
| March 22-25                        | ITU-T Future Networked Car Symposium                                              |
| March 22-26                        | Radio Regulations Board                                                           |
| March 22-April 1<br>or April 12-22 | ITU-T Study Group 17 (dates to be confirmed)                                      |
| March 22-25                        | ITU-R Working Party 6B (Broadcast Service Assembly and Access)                    |
| March 26                           | ITU-R Study Group 6 (Broadcasting Service)                                        |
| March 29-April 1                   | 28 <sup>th</sup> Meeting of the radiocommunication Advisory Group (RAG) (Geneva)) |
| March 29-30                        | ITU-D Regional Preparatory Meeting for WTDC-21 for Africa                         |
| March 31-April 1                   | Joint ITU-D Study Groups 1 and 2 Plenary Meetings                                 |

## **APRIL**

|                 |                                                                                                                               |
|-----------------|-------------------------------------------------------------------------------------------------------------------------------|
| April 5-9       | 37 <sup>TH</sup> Meeting of CITEP PCC.II                                                                                      |
| April 6-14      | ITU-R Working party 7B (Space Radiocommunication Applications)                                                                |
| April 12-16     | ITU-R Working party 7A (Time Signals and Frequency Standards) (Planned)                                                       |
| April 12-16     | ITU-R Working party 7D (Radio Astronomy) (Planned)                                                                            |
| April 14        | ITU Global Symposium for Regulators Plus Regional Regulatory Roundtable for Europe and Africa                                 |
| April 19-28     | ITU-T Study Group 9 (Broadband Cable and TV)                                                                                  |
| April 19-30     | ITU-T Study Group 16 (Multimedia)                                                                                             |
| April 20-30     | ITU-T Study Group 17 (Security)                                                                                               |
| April 20        | ITU-T Study Group 3 Regional Group for the Arab Region                                                                        |
| April 21-22     | ITU-D Regional Prep Meeting for WTDC-21 for CIS Region                                                                        |
| April 22        | Workshop: European Celebration of Girls in ICT 10-year anniversary                                                            |
| April 23        | Joint Coordination Activity for Identity Management                                                                           |
| April 23        | ITU-T TSB Workshop: Virtual Forum on “The Role of Standards in Accelerating Digital Transformation for Cities and Communities |
| April 23        | Joint Coordination Activity on Internet of Things and Smart Cities                                                            |
| April 26-27     | ITU-D Regional Preparatory Meeting for WTDC-21 for the Americas                                                               |
| April 28-30     | 38 <sup>th</sup> Meeting of CITEP PCC.I                                                                                       |
| April 28-May 11 | ITU-R Working party 5A (Land Mobile Service Above 30 MHz (excluding IMT) (Planned)                                            |
| April 28-May 11 | ITU-R Working Party 5C (Fixed Wireless Systems; HF and other Systems Below 30 MHz in the Fixed and Land Mobile Services       |

## **MAY**

|           |                                                                                           |
|-----------|-------------------------------------------------------------------------------------------|
| May 4-13  | ITU-T Study Group 12 (Performance, QoS and QoE)                                           |
| May 10    | TSB Virtual Forum on Human Exposure of electromagnetic fields due to digital technologies |
| May 10-21 | ITU-R Working Party 5B (Maritime mobile services)                                         |
| May 10-21 | ITU-T Focus Group on Quantum Information Technology for Networks                          |
| May 11    | ITU Council Working Group on Financial and Human Resources                                |

|                |                                                                        |
|----------------|------------------------------------------------------------------------|
| May 11-20      | ITU-T Study Group 5 (Environment, climate change and circular economy) |
| May 12-13      | ITU-D Second Inter-Regional meeting to prepare for WTDC-21             |
| May 17-21      | Forum on the World Summit on the Information Society (WSIS Forum 2021) |
| May 17-27      | ITU-T Study Group 20 (IoT and Smart Cities)                            |
| May 19-20      | ITU-T Virtual Workshop on “Digital/OTT Taxation”                       |
| May 24-28      | ITU-T Study Group 3 (Economic and Policy Issues)                       |
| May 21-23      | Sixth World Telecommunication/ICT Policy Forum (WTPF-21)               |
| May 24-28      | ITU-D Telecommunication Development Advisory Group (TDAG)              |
| May 31-June 11 | ITU-T Study Group 2 (Operational aspects)                              |

## **JUNE**

|                |                                                                            |
|----------------|----------------------------------------------------------------------------|
| June 7-18      | ITU-R Working Party 5D (IMT Systems)                                       |
| June 8-18      | 2021 Council/ Virtual Consultation of Councillars                          |
| June 15-17     | Focus Group on Autonomous Networks                                         |
| June 21-25     | GSR-21 Core Events and Special Sessions                                    |
| June 21        | GSR-21 Heads of Regulators Executive Roundtable                            |
| June 21        | GSR-21 ITU-USTTI Training on Emerging Technologies                         |
| June 22        | ITU-T TSAG rapporteur group meeting                                        |
| June 28-July 2 | ITU-R Frequency Coordination Meetings on GE84 Plan Optimization for Africa |
| June 29        | Global Cybersecurity Index Report Launch                                   |

## **JULY**

|            |                                                                                |
|------------|--------------------------------------------------------------------------------|
| July 2     | ITU-R Study Group 3 (Radiowave Propagation)                                    |
| July 5-13  | ITU-R Radio Regulations Board (RRB)                                            |
| July 5-13  | ITU-R Working Party 4C (Efficient Orbit/Spectrum Utilization for MSS and RDSS) |
| July 5-16  | ITU-T Study Group 13 Co-located Rapporteur Group Meeting                       |
| July 7-16  | ITU-T Study Group 11 Interim Rapporteur Group Meetings                         |
| July 14-28 | ITU-R Working Party 4A (Efficient Orbit/Spectrum Utilization for FSS and BSS)  |
| July 22    | ITU-T TSAG Rapporteur Group Meeting                                            |
| July 26-29 | ITU-T Study Group 3 Regional Group for Africa                                  |
| July 23-27 | ITU-R Working party 5D IMT Systems WG Technical Aspects only                   |

## **AUGUST**

|                       |                                                                    |
|-----------------------|--------------------------------------------------------------------|
| August 24-September 3 | ITU-T Study Group 17 (Security)                                    |
| August 30-September 3 | 38 <sup>th</sup> Meeting of CITEL PCC.II (To be determined/Mexico) |

## **SEPTEMBER**

|                        |                                                               |
|------------------------|---------------------------------------------------------------|
| September 1-30         | ITU Telecom World 2021 (Hanoi / Planned)                      |
| September 17           | ITU-R Study Group 7 (Science Services) (Planned)              |
| September 20-October 1 | Meeting of Council Working Groups and Expert Groups (Planned) |

## **OCTOBER**

|               |                                                                                                                          |
|---------------|--------------------------------------------------------------------------------------------------------------------------|
| October 4-15  | ITU-R Working Party 5D (IMT Systems) (Planned)                                                                           |
| October 4-8   | 39 <sup>th</sup> Meeting of Citel PCC.I (Brazil, Virtual)                                                                |
| October 20-26 | ITU-R Working Party 4C (Efficient Orbit/Spectrum Utilization for MSS and RDSS) (Planned)                                 |
| October 25-29 | ITU-R Working Party 4B (Systems, Air Interfaces, performance and Availability Objectives for FSS, BSS and MSS) (Planned) |

October 27-November 4 ITU-R Working Party 4A (Efficient Orbit/Spectrum Utilization for FSS and BSS (Planned)

## **NOVEMBER**

November 8-11 World Telecommunication Development Conference 2021 (Addis Ababa / Confirmed)
